

Champlin Spring Fling

April 2010,

Welcome to Spring Day Camp!

Thank you for selecting Champlin Spring Fling this spring break! We are looking forward to an adventurous week of Cub Scouting activities revolving around bugs, bees, bats and a lot of outdoor fun.

Upon arriving at Champlin's Spring Fling, your son's first journey will be to receive his camp T-shirt and patch. The T-shirt is the official scout uniform and should be worn daily.

Here is a list of helpful items you should know to help your son's adventure at day camp run smoothly:

1. The balance of your camp fee, minus deposit, should be sent to the Narragansett Council by April 16th.
2. Camp program hours are Monday through Friday, 9:00AM to 4:00PM, rain or shine. Campers should not arrive at camp before 7:30AM and they must be picked up no later than 6:00pm.
3. Scouts will be released only to those named on their Dismissal Form, unless changes are cleared through the Camp Director. To ensure the safety of all campers, this policy will be strictly enforced. NOTE: Photo ID is required upon dismissal.
4. The camp uniform is a camp T-shirt, hat and sneakers and pants and a jacket. Please remember that this is Spring and weather can still be very cool so you may want to dress your scout in layers. No open toed footwear and/or Croc's are allowed. The Scouts will be hiking and the camp can be muddy. Cubs should bring rain gear or inexpensive poncho in a backpack. Sunscreen and non-aerosol bug repellent that your son can self-apply are recommended. **Please label all items.** Valuables, umbrellas, toys and knives of any kind are not permitted at camp. A lost & found area is located outside the office each day. Items unclaimed at the end of the week will be donated to a worthy cause.
5. Everyone in camp must have a Health History form on file. If one was not filled out with the day camp registration, please contact us immediately and we will be happy to send out a form to you. All medications should be given to the Health Officer in the original packaging.

Exceptions are made for emergency medications, (i.e. Epi-pens). If these medications are needed during camp, the child should be taken to the Health Officer for evaluation as soon as possible.

6. A bag lunch and a water bottle are required every day; please avoid perishable items such as mayonnaise. A daily beverage will be provided at lunchtime. Scouts are expected to carry their backpacks including their lunch with them throughout the day as refrigeration is not available. Due to allergies, we request that scouts and staff do not share their lunch.

If you have any questions, please call the camping office at (401)351-8700 ext.23.

Sincerely,
Carol Ann Williamson
Program Director

Directions to "Champlin's Spring Fling"
(Champlin Scout Reservation)

From Providence: Take Route 95 South, west on Route 37 to the "T". Turn right onto Natick Road (Route 51) until it becomes Phoenix Avenue. Follow Phoenix Avenue to Route 12 (1st light signal - Scituate Avenue). Take a left onto Scituate Avenue (Route 12). Champlin Scout reservation is approximately 1/4 mile on the right side.
