Chuckwagon at Cub World, Explained!

Chuckwagon is an event similar to the Boy Scout Klondike. The Cub Scouts pull a wagon to different stations. The wagon can be your trusty/ rusty old Radio Flyer or your Pack can build a wagon that the pioneers would have loved to take across the plains! They go from station to station, practicing Scout skills and playing games or doing activities.

Some stations are competitions and some are just for fun. The most popular is the Shooting Sports. We'll give you a set time to be at BB and Archery so you don't miss out. Lions cannot do archery and BB but they will do something almost as good!

Stations close at 3pm. There will be a closing ceremony this year! Please head to the amphitheater after the close of stations. There will be a show followed by awards. The day will be filled with fun and surprises no matter what the weather is. Chuckwagon happens rain or shine and the Scouts have fun either way. When you arrive in the morning and register, you are given a bag for your Scouts with some goodies that we've prepared for you. During the day, if you stop by our administration building or see some of our key Leaders, sing or shout out your cheer for them and you'll get some cool themed prizes. It is a day filled with fun and we don't want you to miss it!

We ask you to adhere to the current safety standards for COVID at the time of this event.

We hope to see you at the Chuckwagon at Cub World. It is Saturday, May 14, 2022 and this year's theme is "Dinosaurs". Your Webelos can continue their fun by signing up for our Webelos Overnighter, directly following the Chuckwagon. They will earn advancement while practicing Scout skills and participating in the many surprises that the Leaders have in store! Please contact us with any questions that you may have.

Helpful Hints for Packs

Parking is LIMITED; please **CARPOOL** if possible. The later you arrive, the further away you will need to park.

NO Pets are allowed at Cub World.

Check-in is from 7:00 – 8:30 am -- please be on time! To reduce the check in line, we will open registration on Friday evening. (Please contact us for times.)

FIRST – Send 1 adult to the check-in window, please adhere to current COVID guidelines. Here you will be assigned a wagon number and issued the Scout gift bags, one for each paid Scout. Patches will be given out at this time. You will need to know the ranks of the Scouts on the wagon and how many paid adults on the wagon.

NEXT - Go to the wagon inspection station that will be near the check-in area. Your wagon will be inspected to make sure you have all the items on your Wagon Checklist. You will be given a unique inspection item. Any type of wagon is allowed.

Please be prepared for the weather (with proper attire)! **Open toed shoes are not to be worn by Scouts or adults.** There is a preferred number of 8 Scouts per Wagon. More than 8 Scouts will interfere with the shooting sports activities.

Each wagon will be given a set time to be at the designated range of both Archery and BB for their turn. Remember, if you have more than 8 Scouts on your wagon, you will have to wait longer. Ranges are also required to have proper spacing to follow guidelines. The Range masters will have a copy of the master schedule.

Lunch Break is mandatory for all. **Remember that you will be bringing your own lunch.** Please stick to your schedule. Our station Leaders are also volunteers and they need a lunch break too!

All stations will close at 3:00 PM sharp. You may pack up after your last station. There will be a closing ceremony this year. Please head to the amphitheater to enjoy a show followed by awards.

Webelos Overnighter: – be prepared for an adventurous sleep over. We'll work on the Webelos Required Adventure “Duty to God and You” and the Elective Adventure “Adventures in Science”. Please leave any gear in your vehicle. You may get it after the Chuckwagon.

Wagons can be brought to camp on Friday. On Saturday, park in the main lot, next to the Nicholson Camping Center building. If you are parked on the road, *all vehicles must be parked on the same side to allow clearance for emergency vehicles.* (All vehicles will be parked on the same side that the Ranger's house is located on.) No unauthorized vehicles are allowed to drive in camp. **If you have any questions please feel free to contact Flo Stevens.**

Theme dress is encouraged. Decorating your wagon is also a plus!
