## CRACKERBARRELL/INFORMATIONAL MEETING

8:30 PM Friday, May 19<sup>th</sup>

The Crackerbarrell will be for the SPL's and anyone who is running a station for the event.

If anyone can help run a station they should e-mail me at:

[Chaz920@verizon.net](mailto:Chaz920@verizon.net). I will provide as much material as I can and they can add to it. Depending on the amount of participants and support we have we can run duplicate stations to keep the crowding of a station down and hopefully get the boys as much detail as possible toward their MB.

The following pre-requisites will be required for the Scouts to complete the Cooking Merit Badge.

1. Requirement #4 – This is cooking 3 meals for 3 days at home.
2. Requirement #5 – This is camp cooking of 5 meals.
3. Requirement #6 – This is planning trail and backpacking meals for 3-5 people.

We will be working with the Cooking Merit Badge Worksheet (a pdf can be found on the registration page). If the Scout has the above requirements completed on the sheets, we will review and give credit toward the requirement provided it is completely filled out. It can be handed in Friday or Saturday morning. Once reviewed the blue card can be signed off accordingly.
