

SUMMER EXTRAVAGANZA

June 2014,

Welcome to Day Camp!

Thank you for selecting Cub Scout Day Camp this summer. We are looking forward to an adventurous week of Cub Scouting activities revolving around this year's theme "Summer Extravaganza." We will be exploring very different themes each week.

Upon arriving at Cub Scout Day Camp, your son's first expedition will be to receive his camp T-shirt and patch. The T-shirt is the official "Scout" uniform for the week and should be worn daily.

Here is a list of helpful items you should know to help your son's world travel adventures at day camp run smoothly:

- 1) The balance of your camp fee, minus deposit, should be sent to the Narragansett Council by the Friday before your week of camp starts. This includes any additional patches or t-shirts you would like to order.
- 2) Camp program hours are Monday through Friday, 9:00AM to 4:00PM, rain or shine. The exception would be if you have registered for the Extended Hours Camp Program for an additional fee. Camp news will be sent home on Monday explaining the special activities planned for Friday afternoon. Campers should not arrive at camp before 8:30AM and they must be picked up no later than 4:15PM.
- 3) Extended Hours Camp Program - camp program hours will run from 8:00am till 6:00pm, Monday Through Thursday and 8:00am till **4:00pm on Friday**.
- 4) Scouts will be released only to those named on their Dismissal Form, unless changes are cleared through the Camp Director. To ensure the safety of all campers, this policy will be strictly enforced. If you plan to car pool, please ensure all drivers are on your son's dismissal form.

NOTE: Photo ID is required upon dismissal.

5) The camp uniform is a bathing suit or shorts, camp T-shirt, hat and sneakers. No open toed foot wear and/or Croc's are allowed. Cubs should bring a change of clothes, towel and rain gear or inexpensive poncho in a backpack. Sunscreen and non-aerosol bug repellent that your son can self-apply are recommended. Please label all items. Valuables, umbrellas, toys and knives of any kind are not permitted at camp. A lost & found area is located outside the office each day. Items unclaimed at the end of the week will be donated to a worthy cause.

6) Everyone in camp must have a Health History form on file. If one was not filled out with the day camp registration, please contact us immediately and we will be happy to send out a form to you. All

medications should be given to the Health Officer in the original packaging. Exceptions are made for emergency medications, (i.e. Epi-pens). If these medications are needed during camp, the child should be taken to the Health Officer for evaluation as soon as possible.

7) A bag lunch and a water bottle are required every day; please avoid perishable items such as mayonnaise. A daily beverage will be provided at lunchtime. Scouts are expected to carry their backpacks including their lunch with them throughout the day as refrigeration is not available. Due to allergies, we request that scouts and staff do not share their lunch.

8) We do have a trading post that is open after lunch and again at the end of each day. You can send your Scout in with money to enjoy the trading post but please note that staff is not responsible for any lost money.

9) If you are interested in coming back next week we offer a multiple week discount at half off for each additional week!!

If you have any questions, please call the camping office at (401)351-8700 ext.28.

Sincerely,
Carol Ann Williamson
& Zack Daigle
Camp Program Directors
