

Explanation Sheet for Wagons

“Sharks and Sea Creatures”

Chuckwagon 2023

Our main objective is to HAVE FUN!

When you arrive at camp, please go to the check-in window at the Hamilton Lodge. You will be given a welcome gift bag, your patch, a wagon number, a time for shooting sports, and a schedule of where you're supposed to be. The gift bags are intended to be given to the scouts here so they can exchange items for prizes during the day. This is the only time you will meet at this building. Our staff will relocate to the Buck Hill Circle Shelter for the rest of the day.

After checking in, report to the Wagon Inspection station. At inspection, you will be awarded a special item to show, if asked, throughout the day. Wagon inspection is MANDATORY!

Each wagon has a wagon number. Wagon numbers will be: 101-120, 201-220, 301-320, 401-420 and 501-520. Your number will be given to you at the Hamilton Lodge when you come in to check in your wagon. The rank of the wagon is determined by the rank of the oldest Cub.

For Archery and BB, you will be given a set time, when you check in, for what time and which range you will go to. If you miss your time, you may not get a second chance. The ranges will have a master copy of the times for the wagons. (More than 8 Scouts on a wagon will interfere with shooting sports.)

Beads are given out at each station for each paid member of a wagon. You can get Den Doodles (Leather disc that the beads and plastic lacing/gimp tie onto) at the craft area. Putting the Doodle together is a good way to pass the time while waiting in line at a station.

All adults should be helping station leaders. We are all volunteers and we work best as a team! Please pay attention to the set schedule. The schedule puts wagons at specific areas to ensure that everyone gets to go to every station. Please stay in your designated area to be fair to other wagons. If you arrive at another area early, you are taking someone else's turn. This is not allowed. Everyone, *even station Leaders*, deserve a break. Please understand if you need to wait while the station Leader steps away for a few minutes. Offer to help, if possible. Keeping the station open after the set close time is **not allowed. Please respect what the station Leader says. All stations will close at 3pm.**

Special awards will be given out to any wagon that should be recognized. If you have something that is noteworthy about a wagon, in a good way of course, please let a station Leader know so they can turn it into the Buck Hill Circle Shelter by 1pm. You may stop at the Buck Hill Circle Shelter yourself, to recognize a wagon.

For First Aid assistance, come to the Buck Hill Circle Shelter. Please drink plenty of water. Bottles may be refilled at any of the theme areas.

Everyone should have a trash bag on their wagon. There is NO excuse for littering. Please Leave No Trace!

HAVE FUN!
