ORDER OF THE ARROW  
Services Scheduling Request**

DISTRICT AND UNIT LEADERS! Please complete this form to request that a special Order of the Arrow service be scheduled for your district, troop, or pack. Keep in mind these factors in your planning:

- Services are conducted by youth members of the local chapter or lodge and are subject to the availability of these youth. The submission of this request does not guarantee that a service will be able to be scheduled as requested.
- A troop or pack may generally be granted only one service within a 12-month period due to the availability of youth members. District committee requests will generally take precedence.
- Submit your request in sufficient time to permit the lodge or chapter to attempt to obtain firm commitments from the required number of OA members, and for a time that will have the greatest benefit to the goals of your Scouting unit, the council, and the OA.
