

ABNAKI LODGE, WWW ORDER OF THE ARROW Election Scheduling Request

SCOUTMASTERS! Please complete this form to schedule an Order of the Arrow election for your troop. Keep in mind these factors in your planning:

- Unit elections are conducted between the months of January and May, in order to permit candidates to attend the Ordeal of their choosing.
- A troop may have only one election in a 12-month period
- Schedule your election for a time when you expect maximum troop attendance
- Upon election of at least one youth candidate, a unit committee may submit the name of one adult for **nomination** [note: this is not **election**] to the Order of the Arrow. It is expected that adults selected will support the Lodge – there are many opportunities, including and especially as advisor to your Troop Representative. For more information on the Troop Representative program, contact your unit commissioner

Please complete the form below and deliver it to your Chapter Adviser, or send to:
