

# 2023 Chuckwagon

## “Sharks and Sea Creatures”

### Helpful Hints for Packs

Parking is LIMITED; please **CARPOOL** if possible.

The later you arrive, the further away you will need to park.

**NO Pets are allowed at Buck Hill Scout Reservation.**

Check-in is from 7:00 – 8:30 am -- please be on time! **FIRST** – Send 1 adult to the check-in window. Here you will be assigned a wagon number and issued the Scout gift bags, one for each paid Scout. Patches will be given out at this time. You will need to know the ranks of the Scouts on the wagon and how many paid adults on the wagon. **NEXT** - Go to the wagon inspection station that will be near the check-in area. Your wagon will be inspected to make sure you have all the items on your Wagon Checklist. You will be given a unique inspection item. Any type of wagon is allowed.

Please be prepared for the weather (with proper attire)! **Open toed shoes are not to be worn by Scouts or adults for everyone’s safety. That includes: flip flops, sandals, slides, ect.** There is a preferred number of 8 Scouts per Wagon. More than 8 Scouts will interfere with the shooting sports activities.

Each wagon will be given a set time to be at the designated range of both Archery and BB for their turn. Remember, if you have more than 8 Scouts on your wagon, you will have to wait longer. Ranges are also required to have proper spacing to follow safety guidelines. The Range masters will have a copy of the master schedule.

Lunch Break is mandatory for all. **Remember that you will be bringing your own lunch.** Please stick to your schedule. Our station Leaders are also volunteers and they need a lunch break too so stations will be closed during lunch! The “Dinolicious” food truck will be joining us for lunch. Please use them to supplement what you have brought. The food truck is NOT included in your registration fee.

All stations will close at 3:00 PM sharp. You may pack up after your last station. There will be a closing ceremony this year. Please head to the Buck Hill Circle Shelter to enjoy a show followed by awards.

**Webelos Overnighter:** – be prepared for an adventurous sleep over. We’ll work on the Webelos Required Adventure “Duty to God and You” and the Elective Adventure “Castaway”. Please leave any gear in your vehicle. You may get it after Chuckwagon.

Wagons can be brought to camp on Friday. On Saturday, look for the Scouts in the safety vests to direct you where to park. If you are parked on the road, *all vehicles must be parked on the same side to allow clearance for emergency vehicles.* No unauthorized vehicles are allowed to drive in camp past the Hamilton Lodge.

**If you have any questions please feel free to contact us.**

**Theme dress is encouraged. Decorating your wagon is also a plus!**
