Safety	AM/PM		15	2a, 2b	

We do not guarantee that you will complete any badge. Many MB Workshops will have published a list of pre-requisites in the course catalog. These are requirements that you should complete before MBM day. When you complete them, bring all material to class with you such as notes, pictures, writings, reports, letters.

Your blue card is your ONLY record of achievement at the MBM. Keep it safe. You must have with you a Merit Badge Card for every workshop. Before the MBM, you should fill out the card with your name, address, Merit Badge and Troop information. Your Scoutmaster should sign this card indicating that he approves you taking the class
