

Greetings Unit Leaders,

Thank you to those who have already signed up to help run an event station at the Adventure at the Fort!

We are still in need of volunteers to help run the Cub Scout activities. These are programs in a box. We have all the supplies, directions for the activity, everything you will need to run the activity, we just need adults to run each station. . If your pack has enough parents and leaders to commit to running the event for the entire day (9:00 am - 5:00 pm) FANTASTIC!! If not, that is fine. Just let us know which event you would like to help with and what time commitment you can give us in 4 hour time blocks.

As a reminder the activities that we have planned are:

Building boats for a raingutter regatta

Bottle rockets

Obstacle course

Build it up, knock it down

Water Cannons

Tabletop Catapults

Running the raingutter regatta

Leather stamping of a dongle to collect beads on

Kim's Game

Animal Match Up

Kite Making

We look forward to seeing you At The Fort!
