Everyone benefits when more people live by the Scout Oath and Law. Scouting is strong, thriving and innovating in the Narragansett Council.

For over 100 years, Scouting has served youth and families in every community in Rhode Island and the South Coast of Massachusetts. We serve 10,000 Scouts annually.

Scouting offers the vision of a bright future for our children, our communities, and our nation. Your support makes this possible.

Your participation in this event can make all the difference to a child. Your investment will broaden their horizons and introduce them to friends, mentors, skills and experiences.
