Adventure Base Camp presents: ADVENTURE BOXES

- Adventure Boxes are an easy way to deliver Scouting anywhere! Whether your den is meeting in person, virtually or not at all, the Adventure Box provides the materials and resources necessary to complete each Cub Scout rank.
- Families have faced so many challenges this year. For Scouting families one of those challenges has been providing a Scouting program. Unit leaders and parents have persevered and found creative ways to keep scouts involved. Adventure Boxes are designed to deliver a hands-on, challenging and accessible program that will make it easier for families and packs to continue Scouting.
- There are two boxes for each rank. Each box includes materials and resources for a total of 4-6 Cub Adventures (required and elective). Both rank boxes will provide a full year of program.

LEAVE NO TRACE TRAINING AT CACHALOT

- Do you have an appreciation for our natural environment and a knowledge of the interrelationships of nature? Leave No Trace instills an awareness that spurs questions like “What can we do to reduce our impact on the environment and on the experiences of other visitors?” Use your judgment and experience to tailor camping and hiking practices to the environment where the outing will occur. Leave No Trace is an awareness and an attitude rather than a set of rules. ...We should all practice Leave No Trace in our thinking and actions—wherever we go.
