

WEBELOS Woods 2015

SEARCH AND RESCUE WEEKEND ANNAWON COUNCIL, CAMP NORSE

September 25 – September 27, 2015

The WEBELOS Woods weekend campout program reinforces many values important to all Scouts: understanding Boy Scouts, appreciation of the workings of a Scout Troop and the patrol method, introduction to advanced Scouting skills, the thrill of camping in the great outdoors, and a strong desire to continue Scouting as a Boy Scout in a boy-run Troop.

Troops – We need you to run a station to help teach the Scouting skills that the WEBELOS will need when they become Boy Scouts. Some Ideas on Stations are: Knots, Compass use, Shelters, Leave no Trace, Cooking, and Staying Found, GPS usage, Water Purification, Fire Making, First Aid & First Aid Kits, 72 hour kits and other Survival Skills.

Packs – Come and learn the skills that all Scouts need. WEBELOS Woods is a great opportunity to see Boy Scouts in Action and have a great time. Attend interesting sessions, try out the BB and archery ranges and get some great camping experience.

Parking – Parking is always a problem at this event so we would like to ask for your help to make sure things go as smoothly as possible. Carpooling is very important. We need to reduce the number of vehicles in camp.

Registration

Packs and Troops should register as a unit; **not individually**; online at the Annawon council web site. <http://www.annawonbsa.org>. **Please do not pay at time of registration. Please pay when you check in at Camp with final count with One Check. Thanks.**

If your unit would like to run a station, or would like to reserve a campsite please contact Greg Turgiss at gregory.turgiss@capecod.edu

IMPORTANT: Only one vehicle will be allowed in the campsites at a time to unload Troop / Pack gear!

Check-in/check-out

Please make all checks for payment out to ANNAWON COUNCIL Please.

Troops may arrive at Camp Norse beginning at 5:30PM on Friday evening. Please send a representative to the Administration Building with a copy of the Troop roster and payment to check-in when you arrive. Webelos and their leaders, parents and adult partners should check in at the administration building with their sponsoring Troop on Saturday Morning. Check in will start at 7:00am and each pack should bring a copy of their roster and check for payment to the admin building. Sponsoring troops can also help with meal planning and equipment. If you can't locate a troop to match up with, let us know and we might be able to help you find one. The intent here is for all Webelos to attend with a Troop. A package containing the weekend's activities will be distributed after a roster and health history of ALL Scouts, Scouters, parents and camping guests is presented. One vehicle may proceed to the camping area for unloading, but the vehicle **MUST** be moved to a designated parking area afterwards.

Participation ribbons will be available upon checkout. Please have your site inspected before leaving. Deposits for buildings will be returned after the Camp Master has inspected the facility.
